Travel Suggestions

The venue

All presentations and lunches take place in the University’s main building (Hauptgebäude), Hochschulstrasse 4, Bern. Follow the signs and go to 5th floor Kuppelraum 501. The venue is located in close walking distance from Bern’s main train station (5min) and old town (10min). See maps below for details.

By plane

Possible airports in order of convenience are Zürich (direct train every 30min, travel time 1.15h), Basel (shuttle bus to Basel Hbf + direct train every 30min, travel time 1:24h), and Geneva (direct train every 30min, travel time 2:10h).

By train

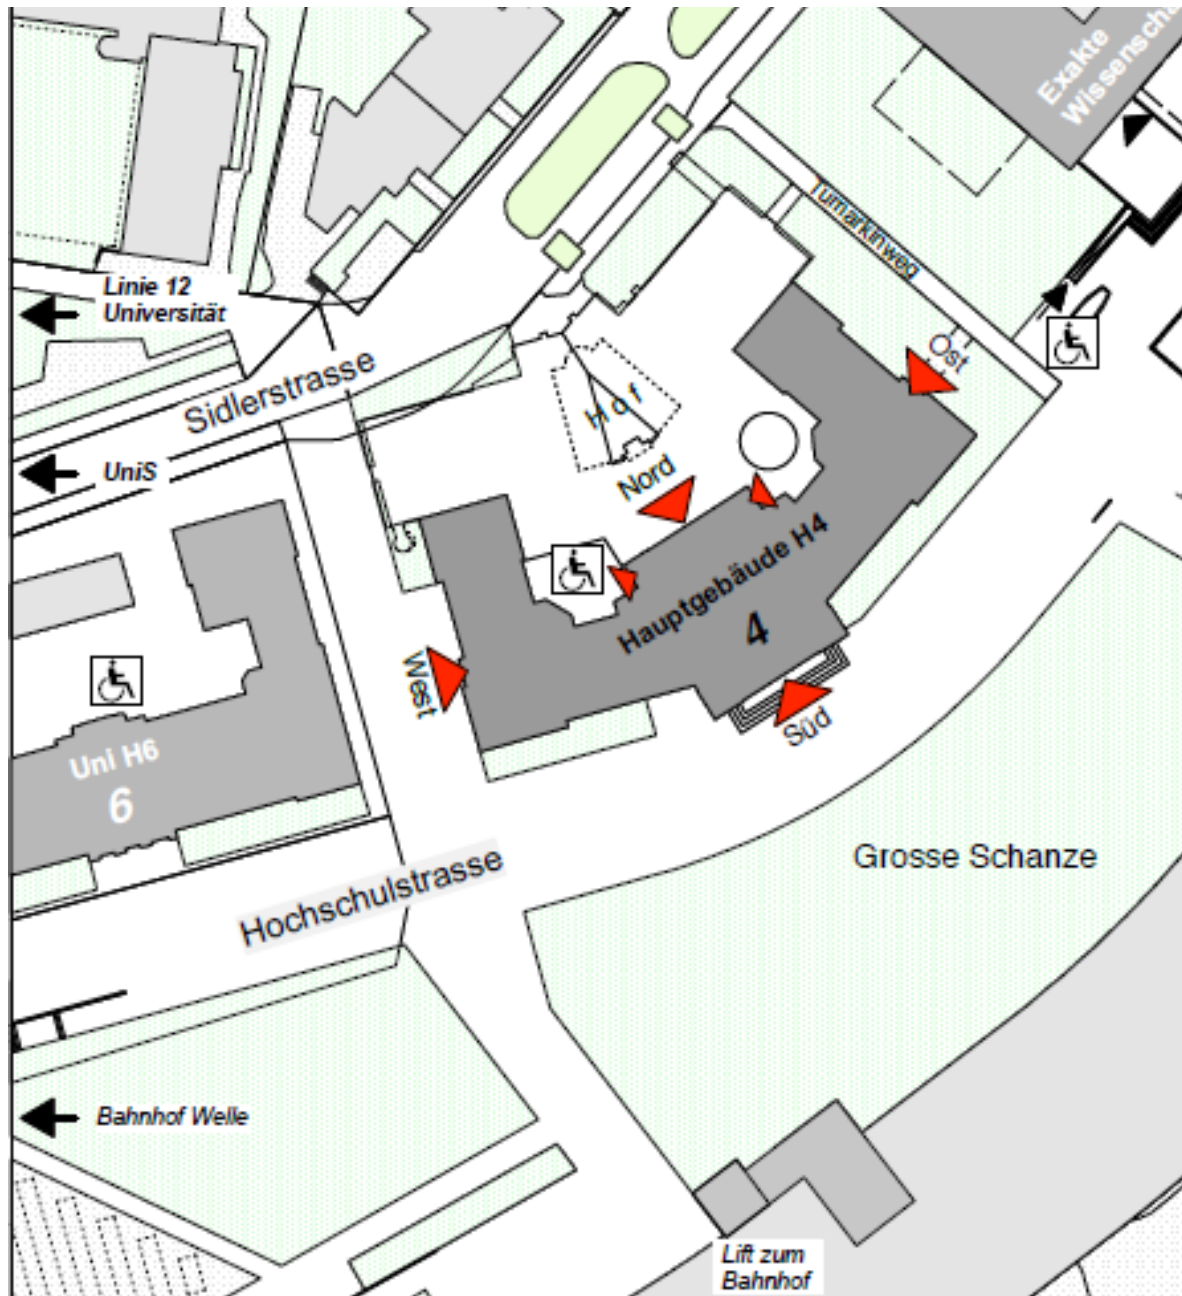

There is a direct train Berlin-Kassel-Frankfurt-Mannheim- Bern (three times daily). Travel time from Frankfurt 4h.

By car

There is public parking right next to the conference venue (Bahnhof Parking - <http://bahnhofparking.ch/site.php>). Take the elevator up, turn 180 degrees and you see the University’s main building. Be aware that parking (and everything else) is very expensive in Switzerland.

Expenses

Lunches, coffee breaks, and the conference dinner are pre-arranged and free of charge. Accommodation, travel, and the informal get-together are at the participant’s discretion.
